DESIGN PORTFOLIO

Trainee Web Developer | ITonlinelearning Ltd. 2024

- Embedded documents within the HTML documents by using Iframe tags to specify inline frames whilst creating and adding links, images, and other media to the website.
- Utilised HTML to develop the website content including a landing page with three additional pages namely contact, about, and FAQ.
- Created, edited, and manipulated web typography as well as created and embedded link lists and tables into pages.
- Maintained site formats and structural integrity by defining elements and content using the CSS3 box model.
- Kept site load times to a minimum by effectively implementing CSS3 syntax to style website pages.
- Developed a personalised website as part of the web development programme final assignment.
- Utilised multiple style attributes to set the style of HTML elements and therefore style webpages.
- Explored various website hosts taking into consideration type, security, features, and pricing.
- Determined the theme of the website in order to be eye-catching and user friendly.
- Used CSS3 Dynamic Properties using transformations, transitions, and animations.
- Created HTML webpages using HTML Editors Visual Studio and Brackets.
- Selected a subdomain in order to obtain the domain URL.

consideration.

WORK EXPERIENCE

Records Clerk | Boulton Wade Tennant

2021 – Present

- Maintained and updated physical and electronic records with accuracy and attention to detail. Ensured records were organised and easily accessible.
- Filed documents and records in accordance with established procedures, ensuring they were correctly categorised and stored.
- Input and updated information into the firm's record-keeping systems. Verified the accuracy and completeness of data.
- Responded to requests for records and documents, retrieving them in a timely and efficient manner.
- Ensured all records management practices complied with legal requirements and firm policies. Assisted with audits and inspections as needed.
- Oversaw the archiving process for older records, ensuring they were stored securely and could be retrieved if necessary.
- Provided administrative support to other departments as required, including assisting with the preparation and management of legal documentation.

Office Clerk | Duff & Phelps

2013 – 2018

- Provided general administrative support, including answering phone calls, greeting visitors, and handling incoming and outgoing mail.
- Assisted with filing, organising, and maintaining office records and documentation, both physical and electronic.
- Monitored and maintained office supplies inventory. Ordered and restocked supplies as needed.
- Scheduled and coordinated meetings, including arranging meeting rooms, preparing materials, and managing refreshments.
- Assisted in preparing reports, presentations, and other documentation as required.
- Ensured the office environment was tidy and organised. Reported maintenance issues to the relevant personnel.
- Provided support to other administrative staff and departments as needed, including handling ad-hoc tasks and projects.

Debrief Clerk | Reynolds Catering Supplies Ltd.

2012 – 2013

- Reviewed and processed delivery debriefs, ensuring all relevant information was accurately captured and documented.
- Entered debrief details into the company's system, verifying accuracy and completeness of information.
- Investigated and resolved any discrepancies or issues related to delivery debriefs, including liaising with drivers, customers, and other departments.
- Maintained and updated records related to delivery debriefs, including reports and documentation.
- Communicated with delivery drivers, warehouse staff, and customer service teams to ensure smooth resolution of any delivery-related issues.
- Prepared and generated reports related to delivery debriefs as required by management, highlighting trends, issues, and areas for improvement.
- Ensured all processes and documentation complied with company policies and industry regulations.

Static Claims Assistant Administrator | Charles Taylor Insurance

2011 – 2012

- Reviewed and processed static claims documentation, ensuring all required information was complete and accurate.
- Entered and updated claims data into the company's claims management system. Verified accuracy and completeness of entered information.
- Assisted with the management and tracking of static claims, including monitoring claim progress and ensuring timely resolution.
- Liaised with claimants, adjusters, and other relevant parties to gather information and provide updates on claims status.
- Organised and maintained electronic and physical files related to static claims. Ensured all records were stored securely and could be easily retrieved.
- Generated and prepared reports on static claims as required by the claims team or management. Highlighted any trends, issues, or areas for improvement.
- Ensured all claims processing activities complied with company policies and regulatory requirements.
